## Programming & Design Skills

HTML	CSS
JavaScript	ReactJS
jQuery	PHP
Python	Java
Swift UI	Flutter
Git & Github	CSS Frameworks
Shopify	Responsive Design

## Personal Info.

DOB: Nov 1<sup>st</sup>, 1999  
Place of Birth: Pittsburgh PA, US  
Nationality: Egyptian / American

## SUMMARY

Bridging the gap between theory and practice! University teaching assistant and skilled web developer, utilizing academic knowledge to build user-centric web experiences. Adept at explaining complex concepts and translating them into functional, responsive websites and applications. Leverage expertise in HTML5, CSS3, JavaScript (ReactJS, jQuery) and development frameworks to empower learners and deliver innovative solutions for diverse clients.

## PROFESSIONAL EXPERIENCE

### Graduate Teaching Assistant, Sep 2022 – Present Arab Academy for Science, Technology & Maritime Transport – AASTMT

Leveraged strong teaching skills to develop and deliver engaging tutorials for undergraduate courses in HTML, CSS, JavaScript, jQuery, Flutter, PHP, Python, and Java.

Actively participated in departmental peer advising/mentoring programs, fostering a supportive learning environment for students.

### Frontend Web Developer, Feb 2019 - Present Freelance – itsHadyy.github.io

Experienced Web Developer adapts in all stages of advanced web development. Knowledgeable in user interface, testing, and debugging processes. Bringing forth expertise in the design, installation, testing, and maintenance of web systems. Able to effectively self-manage during independent projects, as well as collaborate in a team setting.

### Lecturer, Sep 2022 Amazon Web Services (AWS)

Delivered technical training workshops for the A Climate Change Hackathon, a pan-regional event targeting undergraduate students. Led instruction during the Climathon Technical Enablement week (September 4th-8th), providing comprehensive courses in Web Development and Cloud Foundations (AWS).

### Teaching Assistant, Jul 2022 – Aug 2022 Egypt University of Informatics, Cairo, Egypt

Designed and facilitated engaging tutorials for undergraduate level "Programming in Python 1" course, fostering a strong foundation in programming concepts.

### Full-Stack Web Developer, Sep 2021 – Jul 2022 Ministry of Youth & Sports of Egypt, The Club Plus

Developed and launched a high-traffic, user-centric website driving engagement and maximizing user experience. Successfully managed the full software development lifecycle for two critical projects, ensuring on-time delivery and budget adherence (100% success rate).
